

# SVSEF Cross Country Team Parents Committee

2011 - 2012

The SVSEF would not be the success it is today without the tremendous amount of help from parents. The Parents Committee has really helped with communication among coaches, athletes and parents, as well as providing the volunteer help required to keep us going! The SVSEF staff and coaches cannot thank those of you who participated last year enough - you make a difference in our program.

**Please consider one of the following positions this next season.**

## **Team Parents**

Each team will have one team parent who will help with communication and finding volunteers for the home event, fundraising events, etc.

- Quigley Creek Devo Team Parent

## **Banquet Chair/Co-Chair**

Plan end of season team celebration in March or April for the Comp and Prep Teams (held jointly).
